**GENERAL INFORMATION**

You will be given a Learners Manual, workbooks and a SD card and if needed a SD card reader. This is designed so students can view their acting progress and undertake self-critique.

The SD card must be brought to class every filming session. It is a very important record of your filming/acting progress; you must load your work on to your home computer so you can view your work objectively. If you lose the SD card you must replace it immediately at your cost.

Please bring one A4 binder book to put into your Learners Manual folder for use as a journal/film critiques/homework every week. Typed work must be printed at home (with name on) and brought to class. Do not expect your teacher to print it out for you. It is your responsibility to hand in work on time. If work is emailed then learn to put your NAME on the document, for example: Emily Smith CV.doc. All work is to be emailed to admin@acda.vic.edu.au

When emailing work from the UoC workbooks always write the question first and then the answer. Put your name on your work.

After work is marked it must be retained in your Learners Manual folder.

**UNITS OF COMPETENCY**

Divided into four terms, students undertake different assessment tasks. There are no letter grades given in this course. Rather, students are graded against Units of Competency as either ‘competent’ (meaning you have passed) or ‘not yet competent’ (meaning you have not yet passed, but have more opportunities to do so).

The Certificate III in Acting (Screen) has a core and elective structure. To successfully complete the course, the learner must complete sixteen core units of competency and one elective.

Participants who do not complete the course will be issued with a Statement of Attainment for the unit/s of competency, which they successfully complete.

There are 9 core units in the first year and 7 core units and 1 elective in the second year that must be completed for Certificate III and must be passed in order to attain
the Certificate of Qualification. If a student is not competent in any of the units then a *Statement of Attainment* will be issued where competencies are achieved.

The units run concurrently, some require you to hand in workbooks while other units of competency need practical assessments in front of camera. All aspects of filming work is critiqued and assessed. Workbooks are marked and assessed. Class work, working together, attitude to the work, attitude and participation to guest speakers, VET Industry days, warm-ups and rehearsals are all subject to continual assessment.

There is no exam for this certificate course; students are assessed continuously as either Satisfactory (S) or Not Satisfactory (NS). In order to attain UOC COMPETENCIES, work must be assessed as SATISFACTORY throughout the year.

CONTRIBUTION TO VCAL/VCE
VCAL: This program contributes to the industry strand of VCAL
VCE: Block Credit arrangements are available for this program. Students can obtain a 3-4 sequence equivalent by undertaking this course.
ATAR: This subject does not have a study score and therefore cannot contribute towards the students primary four. It is counted as a 5th or 6th subject and contributes towards their ATAR (10% of the average primary four scaled)
Please note: The student must already have English and three other fully scored VCE VET subjects to create the primary four.

SECTION 2

ATTENDANCE AND ABSENCES
We expect 100% attendance.
Many clusters have awards nights at the end of the year; only students who have excellent attendance and good work ethic are eligible.
How many absences are allowed?
If you are away for a school related reason you must get your VET coordinators to email us with your absence. If you are sick you must get your parents to contact us. We mark attendance with Explained absence or Unexplained absence.
If you have unexplained absences, Facebook/text messages about being ill aren’t good enough. At this stage we are checking your hours and so will need exact information or you will be at risk of not having enough hours and therefore not having done enough work requirements. If you don’t do the hours how can you learn all the requirements of the course, how can you put the hours in for filming?

Missing one VET class is equivalent to missing three one-hour sessions of a VCE subject per week.

If a class is cancelled, ACDA will send a message to you via the locked Facebook group or text or individual email. If the matter is urgent then your school coordinator and/or parent will be contacted.

If you are away for a class, please record this in your journal, read the lesson/ACT within your Learners Manual to make sure that work is researched for the following week so you don’t fall behind.

If in doubt contact the college or your teacher.

Lack of attendance and lack of completion of homework will mean that you cannot be assessed as competent!
• You must make every effort to complete the homework requirement for that week
• Every second week you are filmed, if you miss a filming session, you will not be able to complete the required hours for the practical part of the course.
• Likewise if you miss a theory class it will be hard for you to catch up.
• Make sure you read ahead on the Learners Manual so you know exactly what to do.

ABSENCES FROM AN ASSESSED TASK
2nd year only
Students, who are absent from class, on a day when an assessed task is held, should:
(i) Phone/email their VET Coordinator at school and their VET Teacher/Trainer before or on the absent date.
(ii) Provide a medical certificate immediately on return to school. A copy should be given to the VET Coordinator and a copy should be sent/emailed to the office. It is almost impossible to reschedule some assessment tasks for ACDA if a professional industry person is conducting the assessment.

ACCESS AND EQUITY
Where possible the college adopts an open equity and diverse policy. Where students have diagnosed disorders and disabilities additional help will be given in conjunction with parents and home school reports if agreed upon by all parties.

ANTI-HARASSMENT POLICY
Students have the right to be treated in a fair manner and be part of a safe environment free from harassment and intimidation. All forms of bullying and harassment result in a sense of powerlessness and have a negative effect on individuals and can adversely affect one's workplace or learning environment. Harassment may be experienced by anyone. Under the Equal Opportunity Act 2010 many forms of harassment are unlawful and are forms of discrimination. ACDA is committed to promoting positive relationships and encouraging tolerance among staff and students. ACDA does not tolerate harassment or bullying in any form. ACDA will act on all reported instances of harassment.

ASSESSMENT INFORMATION
Continual assessment takes place throughout every lesson with some practical or theory tasks being marked with S for Satisfactory or NS for Not Satisfactory. These marks accumulate until a Competent has been achieved for Units of Competency. Modes of assessment include practical assignments, reflective writing, presentation – improvisation and warm-ups, written and practice-based research, auditions and screen tests, have an appreciation of working in front of camera and the role of the actor on set, be able to successfully break down a script and bring honesty to a screen performance. Assessment also will include the ability to focus, take direction, learn and interpret lines, as well as working in an ensemble work. Using a wide range of scripts students will develop a natural screen presence by working directly to camera, learn about screen tests, audition techniques and industry expectations. Students will look at the technical demands placed on the actor when working in front of the camera; such as finding marks and key lights, acting for different shot sizes, continuity, and developing an ease in front of the camera and a comfort that translates into compelling screen performances. Actors will explore how to make the most of their auditions/screen-tests, to be bold
and make exciting choices in front of the camera and make the most of a role (guest/bit part). By working scenes on camera every second week, this course will give actors greater confidence at auditions and on set.

STUDENT TASK ASSESSMENT MARKING GUIDE EXAMPLE
This formative summary is designed for teachers to mark when working with and/or observing individual students’ cognitive and affective performance skills. It is important to gather evidence to confirm the observations/assessments during the tasks. This assessment task gathers evidence of both desirable and undesirable behaviours demonstrated by the student.

Compulsory Assessment Level of performance on task
0 (unacceptable) 1 (less than acceptable) 2 acceptable 3 (more than acceptable)

0 Unacceptable
Consistently displayed lack of basic knowledge and demonstrated inability to perform task(s). Does not meet the criterion.

1 Less than acceptable
Student is below average on knowledge and demonstrated inability to performance task(s).
Demonstrated significant gaps in meeting the criterion.

2 Acceptable
Consistently attempted to meet the criterion and demonstrated capacity and potential to develop performance task(s). Is showing average knowledge, skills and ability.

3 More than acceptable
Met and exceeded the criterion. Student is above average on knowledge and demonstrated ability for this level.

Indirect - such as a portfolio of evidence
Supplementary - such as Industry guest speakers, visit to set reports Example: Certificate III – Elective film projects.

CATCH UP CLASSES
Where necessary, students may be required to attend catch up classes after school, during the school holidays or on the weekend. The student and/or parent will be required to cover additional costs related to these classes should they be applied.

It is not to be used by the students as a social networking site. The Facebook groups are all monitored by administration at ACDA. At the conclusion of the school year the locked Facebook groups are disbanded. Upon finalising second year students have the opportunity to be part of the ACDA VETeran’s Facebook page.

ACDA will also update students with information through locked Facebook groups and or emails, such as; updates to scripts, updates to work, guest speakers, incursion, excursions, audition and screen-test details.

FEE POLICY/INFORMATION

COURSE FEE (TUITION)
Student’s home schools will apply for VET government funding for the Course fee (Tuition) and this cost is in most cases fully covered by the funding for State Schools. Independent and Catholic Schools do not attract the same funding and therefore parents/guardians should seek information from their VET Coordinators.

COURSE FEE (MATERIAL)
The Materials fees must be paid in accordance with the home school/cluster policy. Please refer to your VET Coordinator.

REFUND POLICY
The refund policy is set out by the individual clusters and is written in the cluster handbook, therefore see individual cluster booklets. However as a general rule once a student has commenced the course all fees paid are not refundable.
FILMING CRITIQUE
Filming critique needs to be completed after every filming session. You must load your work from your SD card on to your computer so you have a work in progress record, then watch your work and make reflective comments on your performance.

- How long did you spend time preparing your script
- What naturalistic techniques did you use?
- Were you/others focused during rehearsal and performance?
- Were lines well prepared?
- What costumes/props did you use? How did this enhance the performance?
- How did you use blocking to give meaning to the script?
- Did your back-story enhance your performance? Explain.
- What feedback did you receive from your teacher/peers?
- How did you feel before, during and after your filming?
- Was there evidence of rehearsal and thought?
- List improvements you could make to your filming technique?
- When watching yourself back, what were your most pleased with?
- What areas could you still work on to improve your acting skills?

Your class within your cluster will be made up from students from different schools. At VET Industry days you will meet students from other clusters across Melbourne. Please be aware that you are all studying the same course and be respectful of
each other, just as you would when meeting new people for example, at work or on set.

**LEARNERS MANUAL**
This resource contains lesson plans for the student. The manual covers the theoretical and practical sections of the course. It is laid out in a logical sequence to best equip the student to understand the material. It assists with the learning process, the application and assimilation of knowledge and skills and the delivery of concurrent units of competency.

Practical filming work occurs every second week. This allows the students to be continually assessed and reflects the assimilation and development of knowledge and skills within this creative arts subject.

Additional filming projects provide opportunities to expand knowledge and skills and credit should be given to the students for taking on additional work. This will be reflected in the student assessment mapping overview. For Elective projects students make films, compile folios, which includes extended research.

Progressive and final dates for tasks and assessments are given in the learner manual and shown in the workbook guide and the task & assessment checklist.

Information handouts supplement the Learners Manual and give some extra learning resources for students. Occasionally handouts will be given out to inform about current Film and Television Industry practices and regulatory/licensing requirements.

Industry guest speakers conduct workshops throughout the year by way of incursion or excursion. These are compulsory.

**LOG OF HOURS**
Keep a log of hours for all your acting. You may include performing arts activities, VCE Drama, VCE Theatre Studies performances, other drama/performance arts classes particularly log the time it takes you to learn scripts.
Please do this on the log sheets at the back of the Learners Manual.

Please keep a running total. See example:

REPORTS
At the end of Term 2 your teacher will write an interim report. Your VET Coordinator will give these to you.

STUDENT FEEDBACK FORMS
Student feedback forms evaluate and appraise the work we are all doing together. It is important that you fill them out as part of the UOC workbooks and at any other stage of the course for example: when you participate in excursions/incursions

STUDENT TRANSPORT
Any students obtaining a lift to class or excursions from another student must do at their own cognizance.
Parking at ACDA locations is at own risk.

TERM 2 OVERVIEW REPORT
An overview is required at the end of Term 2. Please write what you have learnt and how you are improving your skills and knowledge. You should use any class notes and filming critiques to help you structure your term overview report.

TIMETABLES
Term timetables will be given out with the Learners Manual in Term 1 Week 3, if there are any changes to dates students and VET coordinators will be notified. Please highlight your course dates and times within your school diary. The course is divided into four terms.
Term 4 culminates in a compulsory filmed Graduation performance for 2nd year graduating students. 1st year student will perform as part of their last class.

UNIQUE STUDENT IDENTIFIER (USI)
Please see information on the email enrolment form. Supplying your USI number is mandatory.

VET INDUSTRY DAYS
Please note that dates could change due to excursions or guest speakers. Students will receive notification of excursions/guest speakers well ahead of time. But please remember that the people who are guest speakers are Film and Television Industry professionals and by the very nature of the industry often have to change work dates and times. Therefore it is wise to be able to keep a degree of flexibility but we will make every effort to give lots of notice.

WORKBOOKS
Reflect the UoC elements and performance criteria. The workbooks are the assessment tools whereby students demonstrate an understanding of the course material by answering questions and participating in practical activities to prove their competence and complete the formative assessment requirements of the unit of competency.
