

MACAVITY (CATS) – T. S. ELLIOT

Mcavity's a ginger cat, he's very tall and thin;
You would know him if you saw him, for his eyes are sunken in.
His brow is deeply lined with thought, his head is highly domed;
His coat is dusty from neglect, his whiskers are uncombed.
He sways his head from side to side, with movements like a snake;
And when you think he's half asleep, he's always wide awake.

Jellicle Cats are black and white, Jellicle Cats are rather small;
Jellicle Cats are merry and bright, And pleasant to hear when they caterwaul.
Jellicle Cats have cheerful faces, Jellicle Cats have bright black eyes;
They like to practise their airs and graces
And wait for the Jellicle Moon to rise.
