

SH AND SH SOUNDS

Swan swam over the sea;
Swim, Swan, Swim!
Swan swam back again;
Well swum Swan!

No shark shares swordfish steak.

Some say shy shippers ship shy sheep.
Sox shy shavers sheared six shy sheep.
Shameless shepherds shampoo shy sheep.

Of all the smells I ever smelt,
I never smelt a smell that smelt
Like that smell I smelt smelled!

A selfish shellfish smelt a stale fish.
If stale fish was a smelt,
Then the selfish shellfish smelt a smelt.

Should a shad, shelling shrimps for a shark,
Cease to shuck the shamed shrimps, who remark,
"Serve us not without dressing!
'Tis really distressing!"
Or should he just shuck the shrimps in the dark?

The sixth sheik's sheep's sick.
Six sick shorn sheep.
Shorn sheep shouldn't sleep in a shack,
Shorn sheep should sleep in a shed.
